

# ZNF227 Polyclonal Antibody

|                                  |                                                                                                                                                                                                                     |
|----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog No</b>                | BYab-02224                                                                                                                                                                                                          |
| <b>Isotype</b>                   | IgG                                                                                                                                                                                                                 |
| <b>Reactivity</b>                | Human;Rat;Mouse;                                                                                                                                                                                                    |
| <b>Applications</b>              | WB;IHC;IF;ELISA                                                                                                                                                                                                     |
| <b>Gene Name</b>                 | ZNF227                                                                                                                                                                                                              |
| <b>Protein Name</b>              | Zinc finger protein 227                                                                                                                                                                                             |
| <b>Immunogen</b>                 | Synthesized peptide derived from the Internal region of human ZNF227.                                                                                                                                               |
| <b>Specificity</b>               | ZNF227 Polyclonal Antibody detects endogenous levels of ZNF227 protein.                                                                                                                                             |
| <b>Formulation</b>               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                             |
| <b>Source</b>                    | Polyclonal, Rabbit,IgG                                                                                                                                                                                              |
| <b>Purification</b>              | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                               |
| <b>Dilution</b>                  | WB: 1/500 - 1/2000. IHC-p: 1:100-300 ELISA: 1/40000.. IF 1:50-200                                                                                                                                                   |
| <b>Concentration</b>             | 1 mg/ml                                                                                                                                                                                                             |
| <b>Purity</b>                    | ≥90%                                                                                                                                                                                                                |
| <b>Storage Stability</b>         | -20°C/1 year                                                                                                                                                                                                        |
| <b>Synonyms</b>                  | ZNF227; Zinc finger protein 227                                                                                                                                                                                     |
| <b>Observed Band</b>             | 92kD                                                                                                                                                                                                                |
| <b>Cell Pathway</b>              | Nucleus .                                                                                                                                                                                                           |
| <b>Tissue Specificity</b>        | Stomach,Testis,                                                                                                                                                                                                     |
| <b>Function</b>                  | function:May be involved in transcriptional regulation.,similarity:Belongs to the krueppel C2H2-type zinc-finger protein family.,similarity:Contains 1 KRAB domain.,similarity:Contains 19 C2H2-type zinc fingers., |
| <b>Background</b>                | function:May be involved in transcriptional regulation.,similarity:Belongs to the krueppel C2H2-type zinc-finger protein family.,similarity:Contains 1 KRAB domain.,similarity:Contains 19 C2H2-type zinc fingers., |
| <b>matters needing attention</b> | Avoid repeated freezing and thawing!                                                                                                                                                                                |

## Usage suggestions

This product can be used in immunological reaction related experiments. For more information, please consult technical personnel.

## Products Images

Western Blot analysis of extracts from Jurkat cells, using ZNF227 Polyclonal Antibody. Secondary antibody(catalog#:RS0002) was diluted at 1:20000 cells nucleus extracted by Minute TM Cytoplasmic and Nuclear Fractionation kit (SC-003, Invent biotech, MN, USA).

Immunohistochemical analysis of paraffin-embedded human-kidney, antibody was diluted at 1:100

Immunohistochemical analysis of paraffin-embedded human-kidney, antibody was diluted at 1:100
