| Applications              | WB                                                                                                                                                                                                                                |
| Gene Name                 | ZBED1 ALTE DREF KIAA0785 TRAMP                                                                                                                                                                                                    |
| Protein Name              | Zinc finger BED domain-containing protein 1 (Putative Ac-like transposable element) (dREF homolog)                                                                                                                                |
| Immunogen                 | Synthesized peptide derived from human ZBED1 AA range: 329-379                                                                                                                                                                    |
| Specificity               | This antibody detects endogenous levels of human ZBED1                                                                                                                                                                            |
| Formulation               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                                           |
| Source                    | Polyclonal, Rabbit,IgG                                                                                                                                                                                                            |
| Purification              | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen.                                                                                                                         |
| Dilution                  | WB 1:1000-2000                                                                                                                                                                                                                    |
| Concentration             | 1 mg/ml                                                                                                                                                                                                                           |
