

## S2541 rabbit pAb

|                           |                                                                                                                                               |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No                | BYab-12080                                                                                                                                    |
| Isotype                   | IgG                                                                                                                                           |
| Reactivity                | Human; Mouse                                                                                                                                  |
| Applications              | WB                                                                                                                                            |
| Gene Name                 | SLC25A41                                                                                                                                      |
| Protein Name              | S2541                                                                                                                                         |
| Immunogen                 | Synthesized peptide derived from human S2541 AA range: 301-351                                                                                |
| Specificity               | This antibody detects endogenous levels of S2541 at Human/Mouse                                                                               |
| Formulation               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                       |
| Source                    | Polyclonal, Rabbit,IgG                                                                                                                        |
| Purification              | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen.                                     |
| Dilution                  | WB 1: 500-2000                                                                                                                                |
| Concentration             | 1 mg/ml                                                                                                                                       |
| Purity                    | ≥90%                                                                                                                                          |
| Storage Stability         | -20°C/1 year                                                                                                                                  |
| Synonyms                  |                                                                                                                                               |
| Observed Band             |                                                                                                                                               |
| Cell Pathway              | Mitochondrion inner membrane ; Multi-pass membrane protein .                                                                                  |
| Tissue Specificity        |                                                                                                                                               |
| Function                  | sequence caution:Wrong choice of CDS.,similarity:Belongs to the mitochondrial carrier family.,similarity:Contains 3 Solcar repeats.,          |
| Background                | SLC25A41 belongs to the SLC25 family of mitochondrial carrier proteins (Haitina et al., 2006 [PubMed 16949250]).[supplied by OMIM, Mar 2008], |
| matters needing attention | Avoid repeated freezing and thawing!                                                                                                          |
| Usage suggestions         | This product can be used in immunological reaction related experiments. For more information, please consult technical personnel.             |
