| Applications              | WB                                                                                                                                                                                                           |
| Gene Name                 | CXCL2 GRO2 GROB MIP2A SCYB2                                                                                                                                                                                  |
| Protein Name              | GRO β                                                                                                                                                                                                        |
| Immunogen                 | Synthesized peptide derived from human GRO β                                                                                                                                                                 |
| Specificity               | This antibody detects endogenous levels of Human GRO β                                                                                                                                                       |
| Formulation               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                      |
| Source                    | Monoclonal, Mouse,IgG                                                                                                                                                                                        |
| Purification              | The antibody was affinity-purified from mouse antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                         |
| Dilution                  | WB 1:500-2000                                                                                                                                                                                                |
| Concentration             | 1 mg/ml                                                                                                                                                                                                      |
