| Gene Name                 | ZNF587                                                                                                                                                                                                              |
| Protein Name              | ZN587                                                                                                                                                                                                               |
| Immunogen                 | Synthesized peptide derived from human ZN587 AA range: 309-359                                                                                                                                                      |
| Specificity               | This antibody detects endogenous levels of ZN587 at Human                                                                                                                                                           |
| Formulation               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                             |
| Source                    | Polyclonal, Rabbit,IgG                                                                                                                                                                                              |
| Purification              | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen.                                                                                                           |
| Dilution                  | WB 1: 500-2000                                                                                                                                                                                                      |
| Concentration             | 1 mg/ml                                                                                                                                                                                                             |
