

# ZBT11 rabbit pAb

|                           |                                                                                                                                                 |
|---------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No                | BYab-25060                                                                                                                                      |
| Isotype                   | IgG                                                                                                                                             |
| Reactivity                | Human;Rat;Mouse;                                                                                                                                |
| Applications              | WB                                                                                                                                              |
| Gene Name                 | ZBTB11                                                                                                                                          |
| Protein Name              | ZBT11                                                                                                                                           |
| Immunogen                 | Synthesized peptide derived from human ZBT11 AA range: 433-483                                                                                  |
| Specificity               | This antibody detects endogenous levels of ZBT11 at Human                                                                                       |
| Formulation               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                         |
| Source                    | Polyclonal, Rabbit,IgG                                                                                                                          |
| Purification              | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen.                                       |
| Dilution                  | WB 1: 500-2000                                                                                                                                  |
| Concentration             | 1 mg/ml                                                                                                                                         |
| Purity                    | ≥90%                                                                                                                                            |
| Storage Stability         | -20°C/1 year                                                                                                                                    |
| Synonyms                  |                                                                                                                                                 |
| Observed Band             |                                                                                                                                                 |
| Cell Pathway              | Nucleus, nucleolus .                                                                                                                            |
| Tissue Specificity        |                                                                                                                                                 |
| Function                  | function:May be involved in transcriptional regulation.,similarity:Contains 1 BTB (POZ) domain.,similarity:Contains 12 C2H2-type zinc fingers., |
| Background                |                                                                                                                                                 |
| matters needing attention | Avoid repeated freezing and thawing!                                                                                                            |
| Usage suggestions         | This product can be used in immunological reaction related experiments. For more information, please consult technical personnel.               |
