| Gene Name                 | SYNGR1                                                                                                                                                                                             |
| Protein Name              | Synaptogyrin-1                                                                                                                                                                                     |
| Immunogen                 | Synthesized peptide derived from human SNG1 AA range: 152-202                                                                                                                                      |
| Specificity               | This antibody detects endogenous levels of human SNG1                                                                                                                                              |
| Formulation               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                            |
| Source                    | Polyclonal, Rabbit,IgG                                                                                                                                                                             |
| Purification              | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen.                                                                                          |
| Dilution                  | WB 1:1000-2000                                                                                                                                                                                     |
| Concentration             | 1 mg/ml                                                                                                                                                                                            |
